David Sierra

Sous Chef

After working 7 years for Grupo Lezama, David was given the opportunity to come over to DC to work for Taberna. Born and raised in Madrid, and the youngest of 4 brothers, the 31 year old started studying culinary arts in 1994. He enjoys living here because it's a small city with a lot of green surrounding. His favorite restaurants to visit are Rasika and Asian Spice, but when he wants to feel at home he goes to Bodega in Georgetown. His outlook for this year's chef trends include going back to traditional roots of flavors and old fashioned dishes. He loves listening to rock, blues and jazz and walking through the mountains.
